## “MANIA and Marjorie Diehl-Armstrong”

a presentation by Jerry Clark and Ed Palattella

In their first book, Jerry Clark and Ed Palattella explored the motives and the horror behind the Pizza Bomber case, one of the most baffling crimes the FBI ever investigated. One of the most unforgettable characters in the book, Pizza Bomber: The Untold Story of America's Most Shocking Bank Robbery, was Erie resident Marjorie Diehl-Armstrong, a serial killer.

Diehl-Armstrong now is the subject of her own book. And the authors are two people who knew her well: Jerry Clark, the retired FBI agent who handled the Pizza Bomber case, and Ed Palattella, the Erie Times-News reporter who covered it from start to finish.

We are pleased to announce the two will be the speakers at our January event .....
