

Dear Fellow Members,

September 18, 2017

Enclosed find your 2018 Boating Use Application. Please review all the information concerning your boat(s) and make all necessary corrections so that the Club has the latest information. If you intend on having a Slip, Dry Sail, Kayak or Jet Ski or require hauling or storage services in 2018, you need to fill out this form and return it by the due date of **November 1, 2017**.

What's New?

Insurance – It is the utmost importance that we have your current insurance information including proof of insurance such as the declaration page of your policy. If you submit your boating applications without the certificate of insurance your application will not be accepted and will be returned to you for completion.

Length Overall- the Club bills based upon the manufactures specification of LOA. Owners should put the correct **Length Overall (LOA)**, not the water line length, on the Slip application. This includes swim platforms, bow pulpits, ladders, davits, anchors that project out past the bow.

Boat Trailers- Boat Trailers of those that **do not** winter store their boat on the property are not permitted to keep them here in the summer.

Purchasing a Boat- If you currently do not own a boat but are sure you will be purchasing one before next boating season, fill out the application with the estimated size. That way you will be assured of being placed on the Club's slip waiting list.

Slip Change Request- Current slip holders who wish to have a new assignment should write or type their request on the back of the slip application form. All requests for changes will be reviewed and if possible, will be accommodated prior to any new slips being assigned. ***Please do not attach a separate sheet.***

Payment- Please **do not** return payment with your Application. All fees will be billed after the Dock Committee makes the assignments.

One change from last Year – you will note that several of the fees for services, e.g. storage, and dry sail have been updated. Most of these fees were last increased 16 or more years ago. While we have made every effort to hold increases down it was simply time for an update.

Lastly, all applications must be returned by **Wednesday November 1, 2017**.

The Dock Committee thanks our members for taking the time to update the information for our files. This simple task saves those member volunteers on the Dock Committee a lot of time and the process goes much smoother when we have all the information. The Committee thanks the members for their continued cooperation and support and should anyone have a question please feel free to contact the Club.

- I do not winter store at the Club but do require a fall Haul Out. \$ _____

Boat Trailer - Owners with trailers that DO NOT winter store at the Club can no longer leave their trailer on the Club property in the summer.

Box Trailer - The Club has banned the storage of Box Trailers on the property. Existing Box Trailer owners are grandfathered.

I (we), the undersigned, member(s) of the Erie Yacht Club (EYC) apply for a mooring for my (our) insured vessel, which I (we) own.

Provided I (we) have completed all the information and return the application along with **Proof of Insurance** on time as required by the Club, my (our) application shall be considered by the Dock Committee of the Club and acted upon. I (we) the undersigned understand that my (our) failure to return this completed application by the required date of **November 1st**, will cause my currently assigned slip to be considered surrendered and available for reassignment.

The member and the Club agree that the member remains solely responsible and agrees to indemnify and hold harmless the Club for any loss, damage or personal injury to the person or property of the member or any guest, employee, agent, servant, independent contractor, or other actual or apparent representative of the member, whether such loss, damage or personal injury be occasioned by fire, theft, Act of God or any other cause of condition, and the member assumes full responsibility for any claim or suit, unless caused by negligence of or imputable to the Club.

The member accepts the terms of this application and shall abide by all the Docks and Ground rules and regulations now and hereafter in force. Failure to comply will void the application.

The Club reserves the right to utilize the slip when not occupied by the member. The Club may relocate the vessel as may be necessary for the efficient and safe operation of the Club basin. The Club may gain access to the assigned vessel, but shall have no obligation to do so, if necessary to protect the safety of the Club or member's property at the Club's sole discretion.

The member(s) recognizes and accepts that the Club's Dock Committee has the final decision-making power on all matters related to slip assignments.
