All FAMILY JAM skippers are not required but encouraged to obtain a PHRF-Lake Erie rating certificate. If there is not a current PHRF-LE certificate, a handicap is assigned based on a standard sister ship's spinnaker rating with any propeller cruising credit if applicable.

A PHRF measurement certificate is required to receive credit for roller furling jibs.

This method will permit the boat to race immediately with a fair rating however *generally*, a boat will benefit in rating by obtaining a PHRF handicap certificate.

Remember we are adjusting ratings by 9, 6, 3 seconds after every win, place & show.

Rating notes:

Excessive main roach penalty subtract 6 seconds

> 155% jib penalty subtract 3 seconds

A current PHRF rating certificate is required to receive any roller furling credit.

RFM= ROLLER FURLING MAIN add 6 or 9 seconds
