Our Program

Our Mission

The mission of the Reyburn Sailing School is to support a Learn-to-Sail and Learn-to-Race program that teaches students, both children and adults the basics of boat handling, seamanship, safety, sportsmanship, and building friendships. The program strives to develop competence and confidence in our sailors in a safe and fun learning environment.

Who Can Take Our Classes?

The program is open to EYC members' and nonmembers' children ages 6-17. Our Adult program is open to adults 18 and up. Registration is limited, and is on a first come basis. Priority will be given to EYC members and nonmembers that have been in our program in a previous session/year.

Our Boats

Optimist Dinghy

Designed for sailors weighing 50-110 lbs., the Optimist Dinghy has become the world standard for introductory junior trainers. Our Opti class is designed for our youngest students ages 6-13.

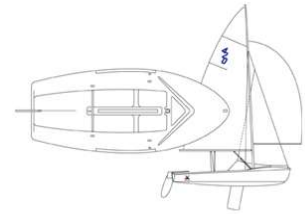

Club 420

These popular trainers are agile performers. These boats are great training boats especially in restricted sailing areas. Comfortable buoyancy tanks ensure that the CLUB 420 self rescuing and is safe. Our Club 420 classes are designed for children and adults ages 10-90. Adults will sail in groups of 2, while children will sail in groups of 2-3 per boat.

Our Instructors

All our instructors are US SAILING Level 1, CPR, and First Aid certified. Some of our advanced instructors are US SAILING Level II certified. All come highly recommended with a great track record for hands-on instruction.

Reyburn Race Team

at the Erie Yacht Club

2017 Season

Starts Tuesday June 6, 2017

For decades, the Erie Yacht Club has provided young sailors with the opportunity to participate in one of the most competitive racing programs on the Great Lakes. Acceptance into the program is based upon prior sailing experience and merit. **Sailors must have participated in the “420 Learn to Sail” program and have proven skills necessary to race. Our 2017 program will feature both travel and local racing opportunities.** Each venue will provide an exciting racing experience. This season we have developed a more extensive local racing protocol which will include awards as well as other incentives for those not participating in an out of town event.

Race Team Descriptions

Opti-Race Team

Optimist Race Team, ages 10-13:

The 8 week Opti racing program is designed to build upon the basic sailing and rudimentary racing skills learned in our **day classes**. **The focus of the Opti curriculum is to improve sailors' boat-handling skills and racing rules knowledge.** Throughout the summer our Opti sailors will learn about small boat racing, including tactics during a race. These sailors will be exposed to a strong team atmosphere in which sportsmanship is emphasized in all activities. The Opti team members are strongly encouraged to sail in the annual Eriegatta at the Erie Yacht Club and are also encouraged to travel to any I-LYA regattas that the team is participating in, should the coach deem them ready to race. Class size is limited to 10.

Local Race Team

420 Local Race Team, ages 13-18:

Sailors that have participated in the 420 "Learn to Sail" day program and have achieved the "skipper" rating are permitted to sail in the 9 week local race team program on the 420. The focus of this program is to build sailing knowledge in a progressive racing curriculum. All members of the local Reyrburn Race Team will have the opportunity to compete in weekly local races. Awards will be presented at the conclusion of each race week. The season will conclude with the winning team presented with a trophy and each a \$500.00 scholarship. Local Race Team sailors also have the opportunity to demonstrate their sailing skills to the coaches and to potentially qualify for the Travel Team. All Local Race Team members are encouraged to participate in the annual Eriegatta held at EYC in August of each year.

420 Local Race Team is limited to 20,

Travel Race Team

420/Laser Travel Race Team, ages 14-18:

Sailors must have raced on the Local Race Team and been recommended to participate in the Travel Race Team by their coaches. The 420 Travel Race team will practice during the week and travel on weekends. Formed in 1998, the I-LYA Junior Traveler Series is a summer-long series of regattas hosted by I-LYA member clubs throughout our region. The intent of the Traveler Series is to offer increased opportunities to sail and improve the competitiveness of our junior sailors throughout the I-LYA. One-day regattas are held weekly throughout the season. The summer race schedule will consist of no less than 8 regattas, each venue will provide an exciting and competitive racing experience. Included in the schedule is the Annual I-LYA Bay Week Regatta at Put-In-Bay, Ohio. Boats are provided for the sailors by our Club or the sailors own boat. Sailors interested in racing Lasers must provide their own boats. Parental chaperones and additional expenses for travel to regattas will apply.

420 Travel Race Team is limited to 12, Laser Class limited to 5.
