FIRST 20 TEAMS WITH RESERVATIONS ARE ASSURED A TABLE TO PLAY

Week 8 showed we were all anxious to return after the shutdown week hiatus with a full house of 20 teams and abundant humor through-out the room. In the Silver fleet, team Grand Cru has moved on to the gold fleet after holding fast in first after for many weeks in the silver. Naut a Clu is now in first with Hey Jo and The Wisenheimers holding tight in second and third respectively. Those Deyzd & Confused players tightened their hold on 4th place overall by winning the evening toping all teams. Someone said an empty bottle of Prevagen was spotted on their table afterworlds. In the Gold fleet, the Guessmen & Women increased their lead for the year with the Lazy Jacks in second and the Dover Stairmasters remaining in third. The EYC Auxiliary collected \$364 including a generous \$120 returned from 50/50 winner Jo Graef. Thursday Night Trivia is looking forward to next weeks pre-St Pats. weekend celebration.
