

We returned from the club's annual maintenance week shutdown with plenty of excitement. Week 9 has brought the team scores closer narrowing the gaps up and down the score board with team Grand Cru winning the evening. The top three teams in the Silver fleet are separate by just 3 points with the Hot Knot Yachters making their move into third place nipping the tails of the Bay Ratz. The top spot in the Silver fleet is held by team Naut a Clu.

In Gold fleet, the Dover Stairmasters moved closer with only 2 points separating them from the first place Lazy Jacks. Team Unplugged remains in third but only a single point ahead of those Smarty Pints. Everyone can feel the tension and excitement building with just two quizzing sessions remaining.

We had 14 volunteers running the game with the Auxiliary collecting \$235. Thanks to Harriet Snyder who won the 50/50 draw and donated \$25 back to the Auxiliary.

Thank you to all of our volunteers. Thank you to all of our volunteers.
